

Randall's ESL Cyber Listening Lab

(Vocabulary Building Worksheet)

URL: <https://www.esl-lab.com>

Learning how to use new vocabulary in context is a very important step in improving your communication skills. Each listening activity introduces key vocabulary along with a definition and a sample sentence. Coming up with more sample sentences will help you use the words in different situations. On this worksheet, write some of the new vocabulary you are learning and then write one or two sample sentences that you think you can learn in your daily conversation.
